

GUIDE FOR OBTAINING

# **CCTP CREDENTIALS**

## ABOUT CCTP'S BOARD

---

CCTP's board established and maintained a voluntary and comprehensive certification program through a specifically designed certification process called the Certified Counter Terrorism Practitioner. It is based on methods currently used in the governmental and private sectors that measure competency in security practices. The CCTP Board is a for profit security certification body which delivers exceptional value by acquiring the best specialists and employing the best assessment methods independently from the influence of governments, private organizations and individuals.

# WHAT IS CCTP?

---

CCTP is a **credential** which provides demonstrable proof of knowledge and expertise in terrorism prevention, detection and deterrence.

The credential will be awarded to the eligible candidates who have successfully passed the examination which assesses the knowledge of 14 main areas in the field of counterterrorism.

Developed by practitioners for practitioners, the CCTP's addresses wide range of terrorist threats such as:

- Suicide bombers
- Improvised Explosive Devices
- Vehicle Borne Improvised Explosive Devices
- Attack with Cold Weapons
