

PRESS RELEASE

23rd November 2021

For immediate release

Dubai Security Consultant Appointment

SGW Safety & Security Limited are delighted to announce the appointment of Sheena Mathew to the position of Security Consultant, who re-joins the SGW Team, to be based at the company's Dubai World Central (DWC) office.

Previously, Sheena was employed by Arkan Security Management Solutions in the capacity of Security Executive, where she provided security design and consultancy support for a number of UAE projects, including Nakheel Discovery Gardens and Salama Bint Hamdan Al Nahyan Foundation.

Sheena is an ASIS International certified Physical Security Professional (PSP) and an experienced Electronics Engineer who has worked throughout the Middle East for over 16 years. Her early career experience was gained by supporting well-known security systems integrators to develop design and estimations for security and life safety systems. Working from SGW's Dubai office, Sheena has further developed her knowledge of security master planning and electronic + physical security design as a consulting engineer, working in support of SGW's Senior and Principal security consultants. She has experience in Security and ELV design & estimation, with in-depth knowledge of various systems - CCTV, Access Control, Gate Barrier Systems, Bollards and Parking Management Systems.

SGW provides Security Consultancy and Studies from the UAE, under Dubai World Central Trade licence number 4894 and Dubai Security Regulatory Agency (SIRA) certificate number SSP20211031 6336. Sheena will support SGW to deliver such licenced consulting services in the UAE and the wider Gulf region.

Commenting on SGW's Appointment, Simon Whitehouse, Managing Director at SGW said: *'Sheena brings a strong security and telecoms design and engineering capability to SGW, having recently formalised her experience by becoming certified as an ASIS International Physical Security Professional (PSP).*

I have previously had the pleasure of working with Sheena between 2012 and 2015 in Dubai and am delighted that she has chosen to re-join the company, to ensure SGW's local qualified presence is maintained and strengthened, supported by our UK based team.

Ends
